

July 25, 1983

Abast Mates,

The heat was there and the air nonexistent, but from all reports, The First Annual JOWI Invitational Regatta was a smashing success. Big heads, large bellies, and slack sails were the order of the weekend!

See the final race results below. Our sincere thanks go to you for helping make our first regatta great. Looking forward to a bigger and better race for 1984!

Sincerely and thanks again,
