

June 17, 1985

Abast Mates,
The wind blew and so did equipment. With winds gusting over 25 knots,
no one can say the JOWI regatta was a light air drifter.
Congratulations to Scott Hungate and his new Elite 32 SEDUCTION - win-
ner of A class and overall fleet.
You all helped make The Third Annual JOWI Invitational Regatta absolutely
the best yet. Looking forward to seeing your sails next year!

Sincerely,

Wiley Price
