1996 NSA SPRING SERIES...

Race one of the NSA Spring Series is scheduled for April 5. This is a 8 race series spread over three Saturdays and one Sunday. The races for Saturday April 26th have been cancelled so as not to conflict with our NYRA Invitational. As usual their will be an awesome social following each racing day. The Notice of Race has not yet been mailed, but if you would like further info you can contact Bob Boris at (919)249-2090. Last year's participants had some great wind for racing and great socials for bragging, so come on down and get in some practice before the season starts!
