

Friday Night

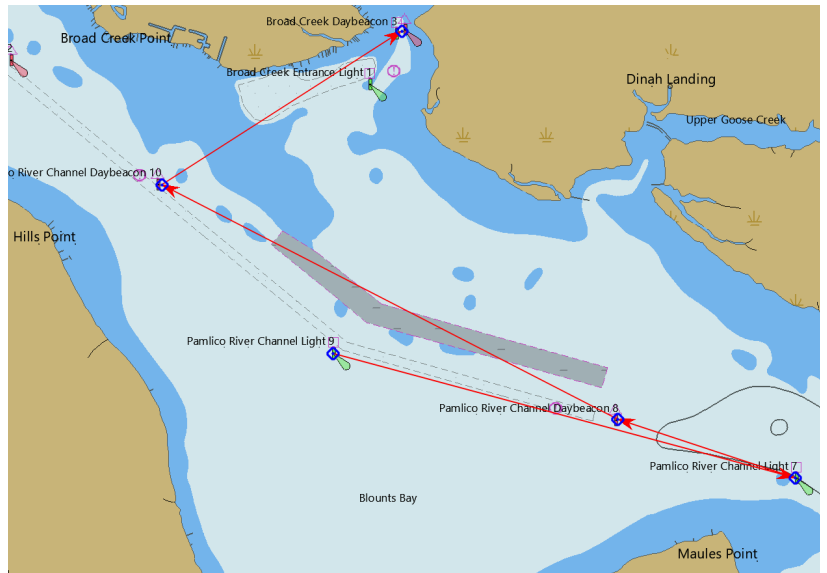

Sailboat Racing

LOW KEY EASY COURSE!

Race starts at green marker #9 (off Broad Creek). Sail to marker #7 at Maul's point and leave to port. Sail to marker #8 and leave to starboard. Sail to marker #10 (red day marker off of Hill's point) and leave to starboard. Sail to the finish line (the gate markers at the mouth of Broad Creek).

Once the first boat has rounded marker #10, ALL boats may race to the finish line and score themselves as having sailed the entire course!

There will be no race committee or protests as participation is voluntary. If unsure of rating, contact Greg ---
